REMARKS

In this Supplemental Amendment After Final, Applicants propose to amend the specification as was amended in the parent application U.S. Patent No. 5,253,275. The proposed amendment corrects minor typographical and grammatical errors appearing in the specification, does not raise new issues, and should be entered after final.

If there are any fees due in connection with the filing of this amendment, please charge the fees to our Deposit Account No. 06-0916. If an extension of time under 37 C.F.R. 1.136 not accounted for above is required for the entry of this amendment, such an extension is requested and the fee should also be charged to our Deposit Account.

Respectfully submitted,
